In the Spiritualist tradition of mediumship, Ascended Master, Savhi, will present his extraordinary spiritual knowledge through professional medium, Judie Palmer. He will address developments that have occurred since his speech in January, possibilities for the last six months, and various empathic ways to maintain peace and energy within ourselves. Attendees will have the opportunity to voice their global concerns and ask non-personal questions afterwards.

As an **Ascended Master in the Spirit Realm**, Savhi has been channeling an abundance of spiritual information through Judie Palmer since 1982. With compassion, his words speak on the God Consciousness and evolution of souls to all those that seek it.

As a recognized professional **Psychic, Medium, and Spiritual Counselor**, Judie Palmer has been counseling for over 40 years and is the co-founder of Natural Healings and the Academy Of Integrated Spirituality, a holistic educational center based in Martinez, California. Along with Ascended Master, Savhi, Judie is the author of *The Seven Stages of Reincarnation*, *The Tao Of Baseball*, *Communicating With Spirit Friends*, and *Chakra Shower*.
