As a recognized professional Psychic Medium and spiritual counselor since 1975, Judie Palmer has captivated private and public audiences with her production, *Spirit Messages*, for over 20 years. Her natural born approach has helped more than 7,000 clients across the United States successfully be reunited with their deceased loved ones. Judie is the author of *The Seven Stages of Reincarnation*, *The Tao of Baseball*, *Communicating With Spirit Friends*, and *Chakra Shower*. She is the current instructor for *6th Sense Studies*, *5 Element Healing*, and *Chakra Healing* for The Academy of Integrated Spirituality and co-owner of Natural Healings in Martinez.

After a brief introduction on spirit communication, Judie will turn her attention to receiving messages from loved ones to those in attendance. This will begin through her life-long ability to communicate with spirits, and end with billet readings, a technique used in the 1800s by spiritualists. If you are an attendee who receives a message, it may be from someone you didn't expect, a loved one you had in mind, or even a message from one of your spirit guides. Even if you do not receive a message, you will feel connected and find the evening educational, heartwarming, and healing. Judie's down-to-earth approach, and the friendly setting, makes everyone feel comfortable.
